## NEXT LEVEL COMPANY.

# AGILE, SUSTAINABLE, RELIABLE, FORWARD THINKING.

LUKAS is all about progress. We focus on pioneering research, development and expertise, delivered by the best in the business. Our aim is to keep our customers successful for years to come.

We have been doing this every day for over 80 years, with around 650 staff at cutting-edge production sites in Germany and Czechia, together with our global sales outlets. They work hard to make every detail that little bit better.

This varied, long-term support and comprehensive, personal and expert consultation are benefits that you can rely on. Now and in the future.

**CLOSE TO YOU. ANYWHERE IN THE WORLD.**

## **SERVICE AND SALES THAT YOU CAN RELY ON.**

Our skilled, experienced sales staff can give you detailed and professional support with any questions you may have concerning our products and services. They will even come and help you on site. Should you need individual consultation or custom product development, our technicians and experts are here to help you at any time. Get in touch with us!
